

# LEVEL GUARD LIQUID LEVEL GAUGES

## Series LG1-S, LG1-T, LG2-T, and LG2-V

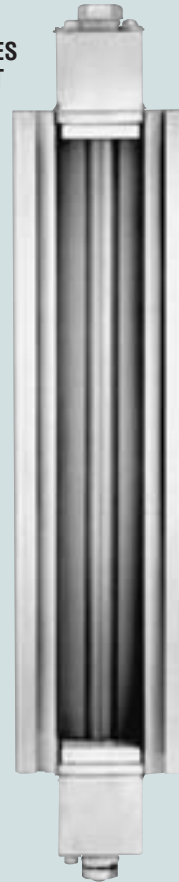

SERIES  
LG1-S

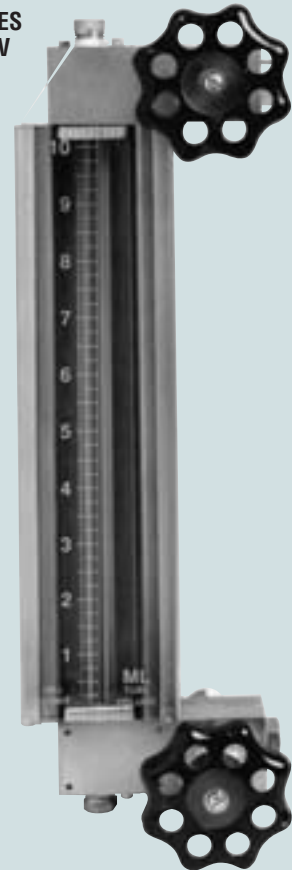

SERIES  
LG1-T

SERIES  
LG2-T

SERIES  
LG2-V

The Level Guard Series provides a rugged metallic frame with a polycarbonate cover to protect the glass sight tube. The polycarbonate cover is optionally available with graduation markings to denote feet and inches to volume.

The Series LG1-S Level Guard Series is available with  $\frac{5}{8}$ " or  $\frac{3}{4}$ " diameter ends for insertion into the packing glands of standard level gauge valves and is ideal for retrofitting existing tubular liquid level gauges. The Series LG1-T Level Guard Series is supplied with  $\frac{1}{2}$ " or 1" NPT end connections. The Series LG2-T is supplied with  $\frac{1}{2}$ " or  $\frac{3}{4}$ " NPT back connections. The Series LG2-V Level Guard Series offers integral offset valves. The valves are equipped with a ball check shutoff and vent/drain connections.
